Présentation

L'entreprise adaptée EA'TERS est née de notre forte implication à faire reconnaître le travail des personnes en situation de Handicap depuis 15 ans, convaincus de la nécessité d'une structure faisant le lien entre les personnes handicapées et le monde de l'Entreprise.

Entreprise à but social et solidaire, nous favorisons l'accès à l'emploi de personnes fragilisées par le handicap en nous engageant à leurs côtés pour leur garantir une insertion professionnelle.

Notre objectif premier est le retour à l'emploi au sein du milieu professionnel ordinaire de nos travailleurs en situation de handicap. Chaque jour, de par nos activités nous faisons connaître et reconnaître le travail des personnes en situation de Handicap.
